**PETITION FOR ACCEPTANCE OF UNINTENTIONALLY DELAYED PAYMENT OF
MAINTENANCE FEE IN EXPIRED PATENT TO REINSTATE PATENT UNDER 37 CFR §1.378**

Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Dear Sir:

Petitioners hereby assert that the delay in payment of the fee under 37 CFR §1.20(e) for maintaining the above-referenced patent in force beyond four years was unintentional, and that this is true from the date of expiration of the patent to the filing of the present petition. The maintenance fee is paid herewith.

The above patent was received by the US firm handling the prosecution of the application, and mailed to the Japanese associate firm responsible for the matter. However, the patent was never received by the Japanese firm. The US firm was not handling maintenance fees for the patent, and the Japanese firm had a practice of docketing maintenance fees upon receipt of the patent. Therefore, the maintenance fees were never docketed for payment. The failure to receive the patent and docket the maintenance fees were discovered by the Japanese firm in July of this year, during a routine scanning of files for conversion into an electronic format. Upon discovering the issue, the Japanese firm has been in contact with counsel in the US to investigate the activities concerning the receipt and mailing of the patent, and the options for pursuing revival. Therefore, there was no intent on the part of the patent owner or its

representatives to allow the patent to lapse, and this has been true up to the filing of this petition.

Please charge Deposit Account 50-3478 in the amount of \$1,640 to cover the surcharge under 37 CFR §1.20 (i)(2) for payment of maintenance fee after expiration of a patent when delay is unintentional.

Please charge any additional fees to Deposit Account 50-3478.

If there are any questions regarding this Petition, the Office is invited to contact Petitioners' Representative, noted below.
